Flu Clinics 2025

Help us help
you, stay well
this winter

We will be holding our main flu clinic this year on Saturday 11th October for our patients aged 65 and over and those aged 18-64 in an at risk group. Other smaller clinics will be available on different dates if you are unable to attend that day.

Eligible patients have been sent a text with a link to book an appointment. If you are unable to use the link or have not received a link please contact reception on 01829 732401 - option 1.

For further information on flu and the vaccination please visit:

<https://www.nhs.uk/vaccinations/flu-vaccine/>

Flu vaccination is safe and effective. It's offered every year through the NHS to help protect people at risk of getting seriously ill from flu.

Make sure you are protected for the winter and book your appointment today!

vaccination here**

**STAY WELL
THIS WINTER**

Annual Health Reviews

If you have one or more of the following medical conditions you will be invited for an annual health check every year in the month of your birthday. Please do not ignore a reminder you get from us.

- Diabetes
- Hypertension
- Heart disease
- Asthma
- COPD
- Chronic kidney disease
- Rheumatoid arthritis
- Stroke/TIA
- Non-diabetic hyperglycaemia
- Learning Disability

Due to the environmental impact and cost of sending letters out we are now texting or emailing reminders. If you have the NHS App/NHS account these will also be delivered as a message on there. Please make sure you have notifications enabled in your phone settings to receive these.

You do not need to wait for an invite, you can ring to make an appointment once we are in the month of your birthday.

NHS APP/NHS Account

To have an NHS account you must be aged 13 or over and registered with an NHS GP Surgery in England. To set up your NHS account for the first time, you will need to set up an NHS login. Further information - <https://help.login.nhs.uk/setupnhslogin/>

Once you have set up your NHS login, you can log in to your NHS account or download the NHS App onto your phone/tablet (available on IOS and Android).

You can use your NHS account to order repeat prescriptions, view your test results, see parts of your health record, check or cancel appointments, see your vaccination record.

Any text messages we send you will automatically deliver to the NHS App! **You must have the App notifications switched on in order to receive App messages.**

Friends & Family Survey

NHS
**Friends and
Family Survey**

GP practice

How likely are you
to recommend our
GP practice to
friends and family?

Have you had contact with our practice recently? If you have, please take a moment to complete our short NHS Friends & Family Survey to let us know how your experience was. You can find this on the home page of our website. Paper copies are also available in our waiting room.

Staff News

We would like to wish a very happy retirement to Nicky Wallace, one of our Advanced Nurse Practitioners. Nicky has worked at the practice for 17 years and is a valued member of our team. She will be very missed by patients and staff alike. Enjoy your garden Nicky and keep in touch.

We are lucky to currently have 3 GP Registrars - Dr Griffiths, Dr Myint and Dr Osakwe.

GP Patient Survey Results

GP PATIENT SURVEY 2025 RESULTS

The GP Patient Survey is an independent survey run by Ipsos on behalf of NHS England every year. We are delighted to share with you our results for this year, having scored highly in each category:
